

Rumpus serves artisan burgers using cattle from our own farm right here in Slaithwaite, West Yorkshire. You could walk to where our herd of grass-fed cattle chew the luscious cud and enjoy the highest of welfare a cow could possibly have. We take pride in where we source our ingredients from. Using only the best produce, we offer a simple yet stunning menu that is a truly farm to fork experience.

FOOD ALLERGIES

At Rumpus we use lots of fresh ingredients. Most of our burgers are served with sesame seeds, topped with dairy cheese and our menus change on a regular basis. We also prepare our food in one kitchen and whilst we have strict standards from field to fork, please be aware that we cannot guarantee that any of our food is 100% allergen free.

If anyone in your party has a food allergy, please check with a member of our team who will review the allergen information. This will allow you to consider carefully whether you can dine with us.
